How much longer can
The POST
survive?

Each week The POST is struggling to keep the LOCAL news coming to the Greater Northern Kent County area. We need YOU, our advertisers, to help us to STAY ALIVE. We depend on advertising dollars to cover our costs of printing, mailing, delivery, payroll, utility bills, etc. We may have to close our doors ANY day now, because if we don't bring in enough money to cover our expenses, we CAN'T produce a newspaper for our Community.

Your LOCAL newspaper connects YOU with YOUR COMMUNITY!

Coming in August...

- Back to School
- School Pages - CSPS & CTA
- Greenville Danish Festival
- Bloomin' Summer
- Outdoors / Catch of the Week
- Business & Finance
- Auto Life
- Hometown Happenings
- Church Connection
- AND MORE!

*Applies to open rate DISPLAY advertising 1/8th page (3x4) or larger. Does not apply to contract rates, service directories, special sections, Church Announcements, Classifieds, or Hometown Happenings.
